

ROAD TRIP B I N G O

Instructions:

1. Download and print the BINGO cards on full sheet removable label paper. Trim along interior white box (approx. 7.25" x 9.75"), remove label backer, and adhere to dry erase board. You can also print these sheets on cardstock or text weight paper, and leave at full size. Use with a clipboard or other hard surface.
2. Print BINGO Marker page (one per player) on full sheet label paper. Remove label backer and adhere to magnet sheet (test the sheet first to make sure the correct side will stick to the dry erase magnet board!) Cut out individual markers with scissors.
3. Play and have fun!
